

# *National Honor Society Application*

## **Priceville High School**

Applicants for the Priceville chapter of the Nation Honor Society will be chosen on the basis of **scholarships, service, leadership, and character**. Please refer to the **Selection Requirements document** for complete information on selection requirements. Since selection is not based wholly upon grades, please complete each section of the application. Applicants will be reviewed by the Priceville High School National Honor Society faculty council as part of the selection process. Since yearly grades must be verified, confirmation will not take place until the start of the following school year. At which time, the National Honor Society sponsor will notify applicants of their status. Dues for NHS members are \$20.00, the due date for payment will be announced at the end of August 2023.
