

National Honor Society Requirements **Beginning with students entering 9th grade in 2021-2022**

The following classes will be required to be considered for selection in the National Honor Society, Priceville chapter. You do not have to have completed all of them to *apply*, but all must be completed by *graduation*. You must fill out an application at the end of your 10th grade year to be considered. You can get an application from Mrs. Cater and it must be returned to her *before* the last day of school in May.

Math (these are the *minimum* you can take)

Algebra I with Probability, Advanced

Geometry with Data Analysis, Advanced

Algebra II with Statistics, Advanced

Precalculus

Foreign Language

Two consecutive years of a foreign language. If you don't take a foreign language your 10th grade year, you must be preregistered in a foreign language for your 11th grade year to be eligible to apply to NHS.

Additional requirement:

- Each year, the student must take the advanced level that is offered in each core subject area (English, math, science, and history).

To be considered for selection, you must have a minimum 85 average for math, English, science, and social studies plus one elective. Band, P.E., athletics, and office aide will not count as an acceptable elective. You do not have to have a minimum 85 average in each class, but the average of the four core classes *plus one eligible elective* has to be a minimum 85 average.

Please contact Mrs. Cater if you have any questions.
