

“Endless Opportunities”
Career Expo
Thursday, October 13th 2022

This year every 8th grader in Decatur City, Hartselle City and Morgan County schools will have the chance to participate in the Endless Opportunities Hands-On Career Expo to be held on October 13, 2022 at Ingalls Harbor in Decatur. PJHS students are scheduled to attend from 10:15 to 11:45 a.m. Buses will depart the school around 9:30 a.m. and return no later than 1:45 p.m. We will stop at Veterans Park, Priceville, after the Expo to allow time for lunch and some outdoor activities. Please indicate on the permission form if your child will bring their own lunch, or if they will need a sack lunch from the cafeteria. There is no cost to students for this trip.

The students will get the chance to take part in three career opportunity worlds. Worlds will be related to the 16 career clusters. Those clusters that are in-demand in Decatur-Morgan County will be featured. The opportunity worlds students participate in will be a result of their interest inventory through the Kuder Navigation System. All 8th graders at PHJS will take the Kuder Interest Inventory at school (Mrs. Gates will administer the inventory). We will review the results, identify clusters of interest and identify which worlds they would most like to explore at the expo.

After attending the Expo, students will be better equipped to complete their Four Year plan for high school. This Four-year plan is completed at school and will be accessible to each student via the Alabama Career Planning website www.al.kuder.com. We look forward to this field trip and hope that each of our students will be able to take advantage of the opportunity! Please contact Mrs. Gates if you have any questions 355-5104.
