DO NOT MISS PERFORMANCES!!!!

You will be given a calendar of practice and performance dates every month. If you do not get one, ask! Booster Meetings will be once a month. The Booster President will announce those.

Everything is considered mandatory. I know things come up such as sickness, death, etc. The items listed as mandatory are essential to continue. All missed rehearsals must be made up. We are a team that depends on everyone working together and BEING THERE. Three unexcused absences will be cause for termination. Please call me with any questions. 205-471-4075.
